02 Project Profile

An introduction to the project, offering context on the work delivered, and the overall journey from start to completion.

LOCATION
Orpington

PROJECT TYPE
Home Renovation

DURATION
5 months

SCOPE OF WORK

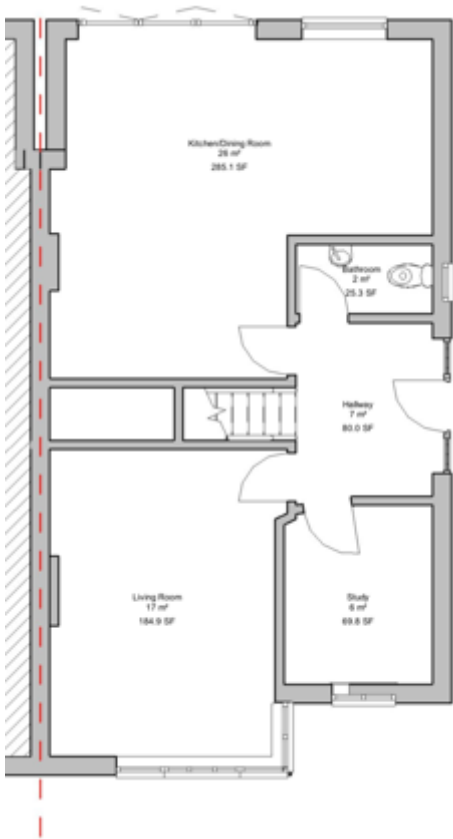

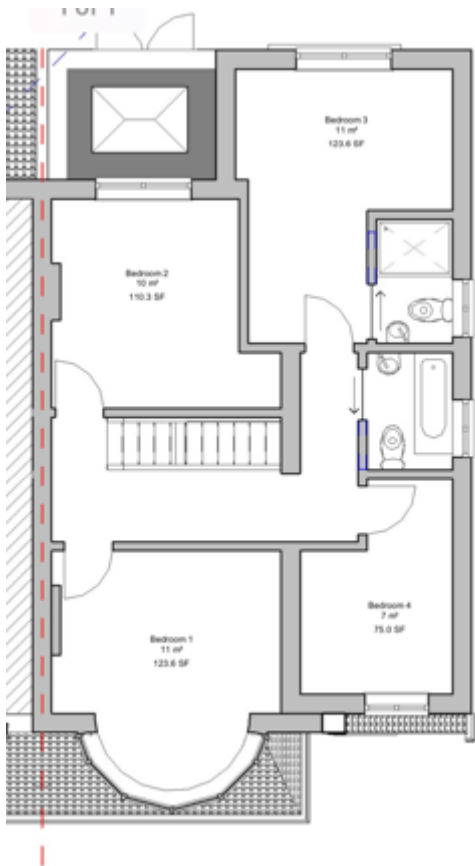

- Full internal strip out and structural alterations across both floors
- Construction of a rear dormer extension and open-plan ground floor
- Installation of steelwork, new roof structures, glazing, and roof lanterns
- Complete kitchen, flooring, carpentry, and utility fitout.
- Formulation of new bedrooms, bathrooms, partitions, and circulation spaces
- Full plastering, rendering, second fix carpentry, and final finishes

03 Before & Designs Plans

BEFORE

DESIGN PLAN

04 Build Process

01 Structural Alterations

Ground floor opened up with structural alterations and rear extension preparation works completed.

02 Interior Formation

New partitions, plastering, and internal layouts completed throughout the renovation.

03 Extension Progress

Dormer extension, roof works, and external construction completed to form the new upper floor spaces.

05 Final Reveal

06 Client Feedback

Excellent communication from the start and great team. Building was done on time and care was taken throughout to minimise dust/disruption.

We are delighted with the end result.

-Homeowner, Orpington
